

Wendy's Two Hour Scarf

5" by 84" plus fringe

One skein Wendy Frizzante, One ball Artful Mystery, One Ball Berroco Zen. Size 19 needles

Just for the fun of it roll all three of these together into one big beautiful ball. You can use what is left over for fringe along with some from the ball.

CO 10 stitches. Knit 2 rows. Row three and every 14th row after this: Double wrap for each stitch (creates 20 stitches). Then the next row you will knit only one of these stitches and drop the extra stitch off the needle creating a longer stitch. Continue this until you have the longer stitch 9 times or to desired length. Knit two more rows and bind off loosely. Cut long fringe (12" to 16") from leftovers, divide into ten fairly equal groups and tie on five groups of fringes to each end. Leave uneven or trim, maybe even thread some beads on....
